CLASS SIZE

- A. Whenever administratively practicable, and whenever the District's financial resources allow, and whenever the facilities are available, the following sizes shall be maintained:

Transitional K-3 24:1

For the 13-14 school year, as long as State funding is provided, it is the District's intent to comply with the state's K-3 class size limitations. The intent of this flexibility is to allow schools to house children in their neighborhood schools, limit split grade or low enrollment classes, and reduce the negative impact of class size limitations on the students and staffs of small schools.

4- 5 30:1

6-12..... 34:1

- B. 1. The intent of this allocation is to provide support for the classroom teachers as they meet the needs of a large, diverse group. Substitutes can be used to provide additional time to prepare parent conferencing, report cards, and/or completing assignments.
 2. The teachers shall determine what works for them at their site. They may pool their dollars, spend them on an individual basis or a combination thereof.
 3. Teacher may appropriate funds to pay for substitutes, someone to cover supervision duties, hire someone to teach physical education, art, music, etc. or purchase supplies/materials. Each site must determine the feasibility of support options (i.e. school size, staffing, etc. may limit the options). The District Steering Committee is available to help determine appropriate use of these funds, or resolve disputes.
- D. Any elementary school having a student population of more than 539 shall have class size based upon each site. Any elementary school having a school population of 539 or less shall have class size averages based upon district-wide elementary averages which include all elementary schools.
- E. There shall be properly credentialed counselors serving as counselors on the high school and middle school levels. Priority is given to providing full-time assignments. The number of counselors shall be determined by applying the following ratios:
1. On the high school level the ratio shall be one counselor for every 370 to 430 students.
 2. On the middle school level the ratio shall be one counselor for every 520 to 580 students.

ARTICLE 10

- B. All bargaining unit members shall be eligible to apply for extended year teaching positions.
- C. Summer School staff meetings in preparation for summer school held outside of the bargaining members regular work day will be paid at the district hourly rate. .

- F. All extended year bargaining unit members must have been recommended for continued employment in the District.
- G. The first offer of employment will be made to bargaining unit members who have applied but not taught extended year in the previous two summers. The second offer of employment will be made to bargaining unit members who have applied but not taught extended year the summer immediately preceding.
 - 1. The above priority hiring procedure may be waived for good cause. The extended year site administrator will have the primary responsibility of informing the applicant by written statement of the reasons for not hiring.
- H. Bargaining unit members who apply for an extended year position shall be notified on or before the end of May of District intent to employ or not employ.
- I. All extended year contracts are contingent upon the class or classes filling.
- J. Saturday school attendance academy classes will be offered to TK-12 students in the District. Remuneration for Saturday attendance academy classes will be paid at the extended year rate (see Article 17, Section D).

ARTICLE 11
ASSIGNMENT AND TRANSFER

A. Teacher Assignment

School site assignment is defined as the movement of a teacher from one grade to another at the same school site or from one subject area to another prior to posting a position for an outside candidate.

1. School Site Assignment Procedure:

a. Switching Assignment at a Site (prior to switching assignments, the principal shall inform school site staff members of anticipated openings at the school site):

1. District may switch unit member assignments for credentialing, class size balancing and other educational reasons.
2. Reassigning a unit member shall not be made arbitrarily or capriciously.
3. Upon request, the unit member who is involuntarily reassigned shall be granted a meeting with the administrator who reassigned the unit member to discuss the reasons for the reassignment. The unit member may request and shall receive written reason for the assignment.
4. The unit member at the site shall have the same transfer opportunities as defined in Article 11.
5. The principal shall have the opportunity to interview a minimum of three (3) candidates for any opening. If less than three candidates on site apply, and the site principal decides to open the position to transfer candidates within the district, he/she shall inform the on-site bargaining unit member of this intent.

b. Filling Vacancies at a Site:

1. Prior to posting an open position for transfer candidates from within VUSD, the principal shall inform school-site staff members via a faculty meeting or a notice in all Bargaining Unit Member mail boxes of anticipated opening(s) at the school. A minimum of three business days' notice shall be given. Once school has started, if a teacher is displaced from an assignment and that assignment subsequently re-opens, the displaced teacher will have the first right of refusal for the re-opened assignment up to October 1st.

Summer openings: In order to be considered for openings that occur during the summer, Bargaining Unit Members who are interested in a change of assignment on their current site must notify the site principal in writing of their request by June 30 of current school year.

2. After considering the overall needs/interests at the school, the preference expressed by individual teachers (as well as credential authorization), the principal must specifically identify the position before posting it within the district for transfer.
3. The principal communicates all teacher assignment decisions.
4. A teacher (with or without VUEA representation) may request and receive the reason(s) for the decision.

B. Combination Class Assignment: The District shall assign combination classes using a fair and consistent process.

1. The district shall apply the following steps:

- a. The district shall invite and use volunteers first.

1. In the case of more than one volunteer for the same combination class assignment, the teacher with the most district seniority will have first right of refusal.
 - b. If there are insufficient volunteers, the District may assign a teacher. Upon request, the District shall provide the assigned teacher with written rationale for making the assignment.
 - c. Upon request, the District shall provide the assigned teacher with written rationale.
 - d. The site principal should meet and confer with the combination class teacher to discuss the student selection for a combination class.
2. The district will apply the following factors in making the assignments:
 - a. When program needs require combination classes, the District will rotate combination class assignments among teachers at all grade levels at elementary schools of 350 students or less. At elementary schools with more than 350 students, combination class assignments will rotate among teachers at the grade levels affected.
 - b. The District will avoid assigning teachers with less than one year of teaching experience to combination classes unless program needs require it, or the training or abilities qualify the teacher to perform the assignment.
 - c. The District will not assign a teacher two consecutive years of a combination class unless the program needs require it.

C. Transfer Definitions:

- a) Transfer – A transfer is defined as the relocation or change of school site of a unit member. A transfer is either Voluntary or Involuntary.
- b) A Voluntary transfer is a transfer initiated by the unit member by the filing of the Transfer Request Form.
- c) An Involuntary transfer is a transfer initiated by the District.

Procedures: A transfer may be requested by a permanent or probationary bargaining unit member, the principal of the bargaining unit member's school, or may be initiated by the Superintendent or designee. The approval of the Superintendent or designee is required for any transfer implemented.

1. General Principles

- a. The main criterion for consideration of a request for transfer is whether or not the request will result in the best educational program for the students of the school District.
- b. The best educational program results from the selection of a school faculty that is well-balanced in terms of teacher experience, general background, and competence. Careful consideration will be given to these criteria when filling vacancies.
- c. In considering a request for transfer, the convenience, wishes and seniority of the individual bargaining unit member will be considered to the extent that they do not conflict with the general principles described above.

2. Procedures for Transfer Requested by Bargaining Unit Members

- a. Bargaining unit members applying for transfer for the following school year shall file a request on the transfer request form (see Appendix E) with the Certificated Human Resources Office at any time. If a transfer is granted, notification of the new assignment will be made in writing. Teachers who are to be transferred will usually be notified by June 20th.

- b. A bargaining unit member wishing to be considered for a transfer during the summer vacation period, must provide the Certificated Human Resources office with his/her summer address, personal email, and phone number (see Appendix E).
- c. If bargaining unit members within the District have applied for the same position, the individual best qualified for that position shall be appointed. The transfer comparison form shall be used in order to compare district employees. (Appendix E).

This would include degree, experience, credits in subject area, credential authorization, methodology applicable to the position, and seniority. Qualifications being substantially equal, seniority in the District shall control.

1. Guided by the general principles and procedures set forth in Article 11, C-2, the Superintendent, or the superintendent's designee, shall consider the following in determining which internal candidate is best qualified for a specific position.
 - (1) Degrees applicable to position;
 - (2) Elementary teaching experience at appropriate grade level/subject/program: K-3, 4-5, 6-8; outside experience limited to five years or Secondary experience in grades 6-12 specific subject areas. Outside experience limited to five years.
 - (3) Number of course credits in the subject area or program;
 - (4) Years of service within VUSD
 - (5) State certification appropriate to assignment;
 - (6) Other criteria as determined by the District.
 2. A numerical score of [0] through [6] inclusive will be given to the applicants in each area listed above, except for number [6], "other criteria." "Other criteria" shall be scored from [0] to [8]. A standardized form developed by the District and the Association will be used to rank each applicant (see Appendix E). If two or more candidates are equally qualified in each criteria, the same score will be given to each.
 3. When these criteria [1] through [6] are substantially equal, the preference in transfer shall be given to the bargaining unit member with seniority in the District.
 4. When a bargaining unit member with seniority in a given situation is not granted a transfer, the bargaining unit members shall receive, upon request, the reasons for the decision. The explanation shall include the bargaining unit members transfer comparison results.
- d. Outside candidates, may be considered or interviewed if less than three (3) qualified probationary or permanent bargaining unit members apply. In order to be hired, an outside candidate must be substantially superior to District applicants.
 - e. Not later than May20 of each school year, the Certificated Human Resources office shall post a list of all vacancies and transfer opportunities reported by the principals on the district website and at the Human Resources Office. Certificated Human Resources will also send a list of all vacancies and transfer opportunities to each school site and to the VUEA Office. Postings shall be for a minimum of five (5) working days. No assignment shall be filled until the closing date.
 - f. Additional openings that occur after this date, including openings that occur during the summer, shall be posted in the same manner.
 - g. A Bargaining Unit Member who has a transfer request on file in the Certificated Human Resources office shall be notified of vacancies for which he/she has requested a transfer and for which he/she is qualified.

- h. All requests for transfer on file in the Certificated Human Resources Department shall be destroyed after October 1st. All new transfer requests for the following school year may be filed at any time. Nothing in the Article shall prevent a bargaining unit member from requesting a transfer at any time.
- i. By June 30th, the Certificated Human Resources office shall make available to the Association a list of all transfers for the next school year. A supplemental list of transfers shall be made available to the Association by the end of August.

D. MID-YEAR OPENINGS

Openings occurring between October 2nd and the end of the current school year will be filled with a "new hire" or by a displaced bargaining unit member (if a school site is overstaffed) or an involuntary transfer. However, if the opening is filled by a new hire and the position is retained for the following school year, it is to be posted as an opening in the Spring and the new unit member shall then be considered along with any other applicants to fill the position for the subsequent year.

E. TEACHER TRANSFER RIGHTS WHEN ASSIGNED FULL-INCLUSION STUDENT

Full Inclusion is a special education option determined by an IEP team that places a severely handicapped student in an age-appropriate, regular education classroom on a full-time basis.

- 1. Before implementing the transfer policy below, the site administrator will:
 - a. Seek a volunteer, at the grade level of the full inclusion student, to have the student assigned to his/her class.
 - b. If there is not a volunteer at the full inclusion student's grade level, the site administrator will seek a volunteer from within the school site to change classes with the teacher that the student has been assigned.

2. TRANSFER POLICY

If there is not a volunteer to change classes with the teacher who has been assigned a full inclusion student, the teacher may request a transfer to another site under the following conditions:

The district shall not deny to any unit member assigned to a full inclusion class the right to transfer to a vacant position for which the unit member has an appropriate credential using the following criteria:

- a. When notified that the unit member is being assigned a full inclusion student, the unit member may request from the Certificated Personnel Office a list of any openings that presently are available for transfer. If there is an opening, the unit member, working through the Certificated Personnel Office, will be transferred to the opening. If two teachers are requesting a full inclusion transfer for a single open position, the one with the most seniority will get the transfer.
- b. The full inclusion transfer is for only the remainder of that school year.
- c. At the end of the school year the position the unit member transfers into will open for transfer consideration by all other unit members who may wish to apply for transfer. At that point, the regular transfer process will become operative.
- d. The unit member who transfers so that he/she will not have a full inclusion student must then reapply for a transfer. The unit member may apply for the opening that was created in letter "C" above; however, the regular transfer process will be used to see if the unit member remains in the position.

F. Procedures for Administrative Transfers

1. Written notice of transfer shall be given to bargaining unit members as soon as practicable and, under normal circumstances, not later than June 30th of each school year.
2. A transfer will be made only after a meeting between the bargaining unit member involved and the superintendent's designee. At this time, the bargaining unit member will be notified of the reasons for the transfer. In the event that the bargaining unit member objects to the transfer, the bargaining unit member may immediately notify the Association. The Certificated Human Resource Office Administrator will then meet with the teacher and the Association Representative to discuss the matter.
3. Transfers because of changes in enrollment or other unusual situations may be made at any time.
4. Transfers shall not be used by any administrator as punitive or disciplinary action.
5. In the event Involuntary transfers due to staff reductions or enrollment changes are necessary the following protocol shall be followed:
 - a. The District shall ask for volunteers.
 - b. If there are no volunteers then;
 1. The bargaining unit member with the least seniority in the VUSD shall be selected for transfer. District seniority is determined by the bargaining unit member's first paid day of employment in a bargaining unit position.
 2. If district seniority is equal, the bargaining unit member with the least school site seniority shall be selected for transfer. Site seniority is determined by the bargaining unit member's first work day at that site in a bargaining unit position.
 3. If school site seniority is equal, the bargaining unit member with the highest sequential draw number shall be selected for movement.
 - c. If a bargaining unit member is transferred involuntarily due to staff reductions or enrollment changes, the bargaining unit member shall be offered the first opportunity to return to his/her former school within the first three weeks of the new school year if it is determined that there is a vacancy for which he/she is properly credentialed.
 - d. If a bargaining unit member is transferred involuntarily due to staff reduction or enrollment changes, the bargaining unit member shall be offered the first opportunity to return to his/her former school if a vacancy occurs in the subsequent school year. This is provided that the bargaining unit member is properly credentialed for said vacancy. The bargaining unit member is required to notify the Certificated Human Resources Department in writing of his/her desire to return to their previous school by May 1st.
 - e. A list of all open positions in the VUSD will be available to all bargaining unit members being transferred. Displaced bargaining unit members shall receive priority placement for vacancies over bargaining unit members voluntarily seeking transfer. Displaced bargaining unit members shall indicate an order of preference for the available openings. If more than one displaced bargaining unit members seeks the same opening the following criteria shall be used to select the bargaining unit member that shall receive priority:
 1. VUSD seniority as defined in 5.b.1 (above),
 2. Lowest sequential draw number.
 - f. The District shall provide assistance in moving a unit member's material whenever a unit member is involuntarily transferred. If the involuntary transfer occurs during the school year two preparation days shall be offered to the bargaining unit member.

6. When any bargaining unit member is required to take courses for a new assignment as a result of an administrative transfer, the Board must or will pay the costs of such retraining or may reimburse the bargaining unit member for expenses incurred for tuition, fees, and materials.
7. If a school site is to be closed, bargaining unit members shall, if they choose, follow the students by grade level or subject area, with seniority prevailing.

Example 1: If there are two 1st grade teachers in the school site to be closed but only one 1st grade class is added at the new school(s), the most senior 1st grade teacher shall have the assignment.

Example 2: If there are two English teachers in the school site to be closed but only one additional English teacher is added at the new school(s), the most senior English teacher shall have the assignment.

- a. If all bargaining unit members from the closed schools are not placed by the above, then a list of elementary vacancies and middle school/senior high subject area needs (including extracurricular activities connected to the position) shall be drawn up. The bargaining unit members with the most seniority shall have first choice at any position for which the teacher is properly qualified (qualifications to be determined by Article 11, Section C(2)(c)(1 through 5), and the second best qualified the second choice, and the third best qualified the third choice, etc.
- b. All displaced bargaining unit members shall be placed before any voluntary transfers or new applicants under Article 11, Section D, as implemented.
- c. Nothing herein shall prohibit any displaced properly credentialed teacher from seeking a voluntary transfer regardless of grade or subject area according to the provisions of Article 11.

G. Temporary Assignment Exchanges

A bargaining unit member may be granted an exchange of assignments temporarily with another bargaining unit member at another school site provided:

1. The site principals and the Superintendent (or his/her designee) approve the proposed exchange, including the length of the exchange.
2. The participating bargaining unit members are appropriately credentialed for their new assignments.
3. The participating bargaining unit members understand that the exchange is temporary and may not exceed one year in duration.
4. The participating bargaining unit members understand that the length of the exchange may be shortened or the exchange may be cancelled at any time (with reasonable notice) by the site principals and/or the Superintendent (or his/her designee).

ARTICLE 12
LEAVES OF ABSENCE

Eligibility and Conditions of Leaves

Bargaining unit members are eligible for the leaves of absence specified in the Education Code and this Agreement.

All applications for anticipated leaves must be on file in the Certificated Personnel Office at least sixty (60) days prior to the effective date of the leave unless otherwise provided in the policy.

A leave of absence will normally be granted for only one school year at a time. Granting of a second year leave of absence is at the discretion of the Board of Education.

A bargaining unit member requesting a leave shall be bound by all of the terms and conditions stated at the time of authorization of the leaves by the governing board.

A. Personal Illness and Injury Leave

Bargaining unit members absent due to illness, injury, or quarantine imposed by health authorities shall have no salary deduction if such absence is covered by days accumulated for sick leave. Essential treatments, examinations for diagnostic purposes, and other absences definitely related to health may be allowed as sick leave when such treatments or examinations must be made during school time.

Sick leave is granted to all bargaining unit members for a period of ten days per year, effective with the first day of school. If a bargaining unit member becomes an employee of the district after the first day of the school year, their sick leave will be prorated based on the percentage of the school year they work. Unused sick leave is accumulated without limitation.

Bargaining unit members absent for illness shall receive full pay for each day of accumulated sick leave. When the bargaining unit member is absent for illness beyond the number of days accumulated for sick leave, bargaining unit members shall receive extended sick leave.

Extended sick leave shall be paid at 50% of the bargaining unit member's regular rate of pay. Extended benefits shall be limited to 100 work days in a fiscal year.

If a bargaining unit member has not exhausted the 100 days of extended sick leave for a continuous illness of a serious nature, the bargaining unit member may, with proper medical verification, request that the balance of the 100 days be extended into the next year. This extension does not entitle the bargaining unit member to a new bank of fully paid sick leave nor to a new 100 days until the bargaining unit member returns to work (Education Code 44978.1).

Bargaining unit member may not return to work at the termination for the extended leave until his/her doctor certifies that the bargaining unit member has recovered from the illness and may return to his/her regular and customary duties.

A signed statement by the bargaining unit member stating illness as reason for absence shall be satisfactory proof of absences of three days or less. A statement of a licensed physician may be required for proof of illness absence of more than three days. The Board of Education may extend sick time when, in its judgment, circumstances warrant such extension. Sick leave shall be granted in accordance with provisions of the Education Code, Section 44978.

B. Personal Necessity Leave Deducted From Sick Leave

Accumulated sick leave days as delineated in paragraph A may be used at the election of the bargaining unit member for reasons of Personal Necessity.

1. Death of a member of his/her immediate family (mother, father, grandmother or grandfather of the bargaining unit member, or of the spouse of the bargaining unit member, and the spouse, son, son-in-law, daughter, daughter-in-law, grandchildren, brother or sister of the bargaining unit member, or any relative living in the immediate household of the employee.)
2. Accident involving his/her person or property, or the personal property of a member of his/her immediate family.
3. Appearance in court as a litigant; or a witness under official order.
4. In recognition of certain religious holidays of major significance, upon application to and with the approval of the Certificated Personnel Office Administrator.
5. Leave may be granted for weddings and graduations that occur within the immediate family.
6. Attendance at the funeral of someone other than the immediate family.
7. Absences *up to two (2) days per school year* of a personal necessity nature or business (**cannot** be used for outside employment)
8. Absences *beyond two (2) days* of a personal necessity nature or business (**cannot** be used for outside employment or vacation)

REQUIRING APPROVAL BY PRINCIPAL AND USE OF SUBSTITUTE EMPLOYEE MANAGEMENT SYSTEM (SEMS):

9. Other reasonable absences not listed above

Use of sick leave for the above purposes is limited to nine (9) days in any one school year. There is no limit on sick days available for B1 and B2 (Education Code 44981). However, verification may be required after nine (9) days.

Prior notice must be given to the Certificated Personnel Office Administrator for B3, B4, B5, B6, B7, and as soon as reasonably possible for B1 and B2.

C. BEREAVEMENT LEAVE

Any regular bargaining unit member shall be granted a leave of absence not to exceed five (5) working days on full pay for each instance when such absence is occasioned by reasons of death in the immediate family of such bargaining unit member. If the travel necessitated by the death is beyond 400 miles one way, six (6) working days may be granted.

The immediate family is defined as mother, father, grandmother, grandfather, or a grandchild of the bargaining unit member or the spouse of the bargaining unit member and the spouse, son, son-in-law, daughter, daughter-in-law, brother or sister of the bargaining unit member, or any relative living in the immediate household of the bargaining unit member.

Reference: Education Code Section 44985

D. RESPONSE TO A SUBPOENA

1. COURT APPEARANCE

When a bargaining unit member is absent because of a mandatory court appearance except as a litigant, said bargaining unit member shall suffer no monetary loss by reason of said service. Fees (exclusive of mileage) paid by the court or party requiring an employee's appearance shall be paid by the bargaining unit member to the school district unless the fees are greater than the salary of the bargaining unit member, in which case the bargaining unit member may retain the fees and be listed as absent due to personal business (without salary). A copy of the subpoena and a certificate of the clerk of the court must be filed with the absence report.

2. Absence from service for a subpoena other than a subpoena for court appearance will be charged to sick leave or the individual will pay for a substitute for that day.

E. EXTENDED YEAR SICK LEAVE

Bargaining unit members teaching in the extended year program shall be granted one hour of sick leave for each twenty hours worked. Sick leave earned during the summer session may be accumulated from year to year. It may not be used to offset absence in any other category, i.e., Adult Education, individual instruction, regular school year.

Sick leave earned in the Ventura Unified School District during the regular school year will not be applicable to any other category.

F. HEALTH LEAVE

Any bargaining unit member who is a permanent employee of the District may, at the discretion of the Board of Education, be granted a leave of absence without pay for reasons of health; such leave to be specified for a period of not less than one semester or more than one year. Such leave may be extended in case of serious health conditions. Provision for notice of intention to return will be the same as in regulations governing leaves for educational improvement except that such notices will include a written statement from the attending physician certifying the bargaining unit member's ability to return to full-time service.

G. EXCHANGE LEAVE

Permanent bargaining unit members who have opportunities to participate in foreign service or as domestic exchange teachers, or fellows, should be given favorable consideration by the administration and the Board of Education for a leave of absence of not less than one semester or more than one year. Extension of this leave may be granted at the discretion of the Board of Education.

H. LEAVE FOR PREGNANCY DISABILITY

1. Bargaining unit members are entitled to use sick leave as set forth in [A] for disabilities caused and/or contributed to/by pregnancy, miscarriage, childbirth, and recovery therefrom in the same terms and conditions governing leaves of absence from other illness or medical disability. Such leave shall not be used for child care, child-rearing, or preparation for childbearing.

The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the bargaining unit member and the bargaining unit member's physician; however, the District management may require a verification of the extent of disability through a physical examination of the employee by the employee's health care provider. If there are additional verification costs, they will be borne by the District.

2. Bargaining unit members are entitled to leave without pay or other benefits for disabilities because of pregnancy, miscarriage, childbirth, or recovery therefrom when sick leave as set forth in [A] has been exhausted. The date on which the bargaining unit member shall resume duties shall be determined by the bargaining unit member on leave and the bargaining unit member's physician; however, the District management may require a verification from the employee's health care provider. If there are additional verification costs, they will be borne by the District.
3. The bargaining unit member on leave for pregnancy disability shall be entitled to return to a position comparable to that held at the time the leave commenced.

I. Parental Leave

1. Bargaining unit members are entitled to Parental Leave for the birth of the employee's child or placement of a child with the employee for adoption or foster care (baby bonding), for up to 12 school weeks.
2. The twelve (12) week Parental Leave shall commence at the conclusion of the Leave for Pregnancy Disability for birthing bargaining unit members.
3. The twelve (12) week Parental Leave shall be a paid leave deducted from the bargaining unit member's accumulated sick leave; If a bargaining unit member exhausts his/her accumulated sick leave prior to the expiration of the twelve (12) week-Parental Leave, and continues to be absent from his or her duties on account of Parental Leave, the unit members shall receive 50% of their regular salary. The District shall be provided with at least thirty (30) days prior notice of intent to take Parental Leave, or as soon as practical.
4. A bargaining unit member shall not be provided more than one twelve (12) week period of Parental Leave per Pregnancy Disability or adoption, Parental, or foster care leave. However, if a school year terminates before the twelve (12) week period is exhausted, the employee may take the balance of the twelve (12) week period in the subsequent school year.

J. LEAVE WITHOUT PAY FOR CHILDBEARING PREPARATION AND CHILD-REARING

1. Leave without pay or other benefits will be granted to a bargaining unit member for preparation for childbearing and for child-rearing at the bargaining unit member's election.
2. The bargaining unit member shall request such leave as soon as it is practicable. A minimum of five (5) days written advance notice is required. If possible, the District would appreciate a 30-day advance notice. The notice shall include a statement as to the dates the employee wishes to begin and end the leave without pay.
3. The duration of such leave shall consist of no more than twelve (12) consecutive months. An extension of leave may be granted not to exceed an additional twelve (12) months. The District shall determine the return date based on the Bargaining Unit Member's request and the staffing needs of the District. The interest/request of the Bargaining Unit Member shall be considered/balanced by the district staffing and program needs consideration/costs and program quality needs, as the district determines the return date. This policy shall not be applied in an arbitrary, capricious, or discriminatory manner.
4. The bargaining unit member is not entitled to the use of any accrued sick leave or other paid leave while such employee is on childbearing preparation leave or leave for child-rearing.
5. There shall not be diminution of employment status for childbearing or child-rearing except that no person shall be entitled to compensation, increment, or the accrual of seniority for purposes of layoff or reduction in force, nor shall the time taken on child-rearing leave count toward credit for probationary teachers in earning tenure status.
6. In the event of a miscarriage or the death of the child subsequent to childbirth, the bargaining unit member on leave may request an immediate assignment to a unit position. If there is a vacancy for which a bargaining unit member is qualified, the District will assign that bargaining unit member to a position as soon as practicable.
7. The district agrees to comply with the applicable provisions of the Family and Medical Leave Act (Federal) and Family Care Leave Act (State of California).

K. PROFESSIONAL LEAVE

ELIGIBILITY AND CONDITIONS OF LEAVE

Only a regular permanent employee may be granted a Professional Leave of Absence. The Board of Education, upon the recommendation of the Superintendent, may grant any permanent certificated employee of the District leave of absence, without salary, for purposes which are considered by the Board to benefit the schools and pupils of the District. Such leave may be granted for but not limited to:

1. OPPORTUNITY LEAVE

An opportunity leave is a leave to permit a bargaining unit member to accept certain honors or employment which will result in the bargaining unit member's rendering more effective service to the school district upon his/her return. Such leave may include but not be limited to teaching or related service in the field of education.

2. FEDERAL GRANT LEAVE

A federal grant leave is a leave to permit a bargaining unit member to accept an opportunity to teach, lecture, or do research under a nationally recognized fellowship or foundation approved by the California State Board of Education. Such service should result in the employee's rendering more effective service to the school district upon his return.

3. STUDY LEAVE

A study leave may be granted for one year to enable an employee to pursue a minimum program for study of twelve (12) semester units, or eighteen quarter units, in a recognized institution of higher learning. Such courses shall be at the upper division or graduate level. Correspondence courses are not acceptable for leave purposes. If leaves are requested for less than one school year, a similar ratio between the stated unit requirements and time will be maintained.

4. TRAVEL LEAVE

A travel leave is granted to a bargaining unit member to travel outside of a 250-mile radius from the Ventura Unified School District's administrative offices for educational purposes for a minimum of 60 percent of the time for which the leave is granted.

A Professional Leave of Absence will normally be granted for a maximum of one school year. Granting of a second year leave of absence is at the discretion of the Governing Board of Education.

All applications for Professional Leave of Absence should be on file in the Certificated Human Resources Department at least 60 days prior to the effective date of leave (except Study and Travel Leave).

A seven (7) member Board of Review shall evaluate all applications for Professional Leave and make recommendation to the Superintendent. The following shall constitute the membership of the Board of Review:

Three teachers shall be selected by the officially recognized teacher organization.

Three administrators selected by the Superintendent or his designee.

The Certificated Human Resources Department Administrator shall act as chair of the committee.

It is recommended that elementary, middle school, and senior high levels be represented by both bargaining unit members and administrators on the Board of Review. A quorum is necessary for the transaction of business.

A file which includes a record of all requests shall be maintained by the Certificated Human Resources Department. The file shall contain reasons for granting or denying each request.

Under the conditions of accepting a Professional Leave of Absence: NO VERTICAL MOVEMENT ON THE SALARY SCHEDULE IS TO BE ACHIEVED. MOVEMENT BETWEEN COLUMNS MAY RESULT FROM THE COURSE WORK TAKEN AND/OR DEGREES BY REASON OF THE LEAVE OF ABSENCE.

L. VOLUNTARY ABSENCE

Requests to be excused from duty should be submitted to the Certificated Human Resources Department at least two (2) weeks in advance to allow time for Board consideration of the request and determination as to whether deductions should be made from the bargaining unit member's salary. The following regulations will prevail in cases they cover:

1. Leave may be granted without loss of pay at the discretion of the Board and on recommendation by the Certificated Human Resources Department for attendance at distinctly professional meetings of educational groups at which the Superintendent and the Board feel the District should be represented. Travel expenses may be allowed for this purpose within the limits of the budget provision and payment policy.
2. Leaves of absence to attend meetings or conventions of educational associations or societies, or to serve on committees or commissions of such organizations when the activities or purposes of the organization serve to advance the welfare of the schools through the upgrading and strengthening of the teaching profession may be granted upon request of the employee and recommendation of the Certificated Human Resources Department Administrator, without loss of pay to the employee and with or without travel expense to the District.
3. Leaves may be granted for attendance at conventions or meetings of organizations composed of people engaged in education, but interested primarily in improving the working conditions of school employees upon request of the bargaining unit member and recommendations to the Certificated Human Resources Department Administrator. Deductions from the bargaining unit member's salary will be limited to the amount required to pay a substitute.
4. Upon request of the bargaining unit member and recommendation of the Certificated Human Resources Department Administrator, leaves of absence may be granted to bargaining unit members who wish to attend conventions of civic or fraternal groups not connected with education in which they hold membership. The bargaining unit member's salary shall be deducted the full amount for days absent for such leave.
5. Other requests for necessary or voluntary leave for reasons not specified in these regulations will be considered by the Certificated Human Resources Department Administrator from the standpoint of value to the District, urgency of the request, and the employment record of the person making the request.

M. MILITARY LEAVE

Every bargaining unit member employed by the Ventura Unified School District in a position requiring certification qualifications who enters the active military services of the United States of America or the State of California shall be entitled to absent himself/herself from his/her duties as an employee of the District.

Such absence shall not affect in any way the classification of such bargaining unit member. In the case of a probationary employee, the period of such absence shall not count as a part of the service required as a condition precedent to the classification of such a bargaining unit member as a permanent employee of the District, but such absence shall not be construed as a break in the continuity of the service of such bargaining unit member for any purpose.

B. JUST CAUSE

"Just Cause" shall include the causes set forth in the California Education Code.

C. PROGRESSIVE DISCIPLINE

The principles of "progressive discipline" shall require that an employee shall receive: counseling first, oral warnings next, and finally written warnings prior to being disciplined by suspension with loss of pay. The bargaining unit member may be represented by a Ventura Unified Education Association representative at any discipline meeting. The nature and/or severity of the circumstance may allow for steps of the progressive discipline process to be bypassed.

F. EMPLOYEE'S RESPONSE TO PROPOSED SUSPENSION

The purpose of the response is to allow the employee an opportunity to give information to the supervisor prior to the actual implementation of the suspension. An employee's opportunity to respond to the supervisor is not intended to be an adversarial hearing. The employee need not be accorded the opportunity to cross-examine witness, nor to present a formal case in opposition to the proposed suspension action. However, the limited nature of this response does not obviate the supervisor's authority to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the supervisor's information leading to the proposed discipline.

G. NOTICE OF SUSPENSION AND RIGHT TO GRIEVE/ARBITRATE

When an employee is given notice of a suspension, he/she shall be given concurrent notice of his/her right to grieve the action to the Certificated Human Resources Department level of the grievance procedure within ten (10) days of receiving the notice of suspension. ARTICLE 15
GRIEVANCE PROCEDURE

A. DEFINITIONS

A certificated employee complaint shall be defined as a spoken or written dissatisfaction brought to the attention of his or her immediate supervisor. By mutual written agreement of the parties, similar grievances filed by individual bargaining unit members may be consolidated for processing through the grievance procedure.

A grievance is a written claim on the part of an employee or the Association that the contract has been violated, misinterpreted, or inequitably applied which was not settled to the satisfaction of the employee or the Association at the first supervisory level. A working day is defined as a day in which the District Office is open.

B. GENERAL PROVISIONS

No certificated employee shall suffer reprisals or reduction in status as a result of having presented a grievance or having represented an employee concerning a grievance.

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared and given appropriate distribution by the Certificated Human Resources Department so as to facilitate operation of the procedures set forth herein.

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by written mutual agreement.

A decision rendered at any step in these procedures becomes final unless appealed within the time limit specified or at a time agreed to by both parties. If a decision is not given within the time limit, an appeal may be taken directly to the next level.

Any certificated employee of the District required to be absent from duties pursuant to these procedures shall not suffer any loss of pay. Grievance procedure meetings normally will be scheduled during non-teaching time.

The grievant and the respondent shall have equal access to any pertinent District records, within the laws defining confidentiality.

All School District records, pertinent to processing of the grievance shall be filed in the Certificated Human Resources Department and shall be kept separate from the personnel files of the participating parties. At the conclusion of the case, all information pertaining to the case shall be sealed, and access to the information shall be authorized by the administrator in charge of personnel.

A brief statement of the decision made concerning the grievance shall be forwarded to the president of the Association by the Certificated Human Resources Department upon the conclusion of the action.

C. REPRESENTATION

An employee has the right to represent himself/herself or be represented by another employee or employees of his/her own choosing, not to exceed three, and/or a representative of the Association. All meetings afforded to the employee shall be deemed to include his authorized representative, and information provided to the employee shall be provided to his/her representative.

A grievance may be adjusted at any level prior to arbitration without the intervention of the exclusive representative, if the adjustment is not inconsistent with the terms of the agreement then in effect; and provided that the employer shall not agree to a resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

Any bargaining unit member of the District may serve as a representative without prejudice or loss of salary.

D. PROCEDURE FOR SUBMISSION OF GRIEVANCE

(For use herein the term "grievant" may refer to a bargaining unit member or the Association.) The time limits specified may, however, be extended by written mutual agreement.

1. Within fifteen (15) working days after the alleged violation, a bargaining unit member, or the Association, considering a grievance will discuss the complaint with the appropriate principal or immediate supervisor with the objective of resolving the matter informally.
2. If the bargaining unit member or the Association wishes to proceed with the grievance, the bargaining unit member or the Association shall commit the grievance to writing and shall submit the written grievance to the supervisor within thirty (30) working days from the time the action which forms the basis of the grievance took place.
3. If the written statement varies from the oral statement, the principal or immediate supervisor may require another conference with the grievant within five (5) working days. Additionally, the bargaining unit member and the administrator may agree to another conference to attempt resolution of the grievance.
4. A written response shall be delivered to grievant and/or VUEA within fifteen (15) working days after receipt of written grievance or from the day of the conference about a written grievance.
5. If the grievance is not resolved after discussing it with his/her immediate supervisor, the grievant may appeal the decision to the Certificated Human Resources Department Administrator or his/her designee.
6. In the case where the first level of grievance is to the Certificated Human Resources Department Administrator and the grievant is dissatisfied with the decision of the Certificated Human Resources Department Administrator, he/she may appeal the decision to the Superintendent or his/her designee.

E. PROVISIONS FOR APPEAL

The following provisions shall apply to each step of appeal:

1. Either party to the grievance may request a review of the decision rendered at the previous step.
2. The request must be made within five (5) working days after receipt of the previous decision.
3. The request must be in writing and shall include:
 - a. The name of the bargaining unit member/Association submitting the grievance.
 - b. The name of the bargaining unit member's /Association's representative, if any.
 - c. A description of the problem stating specifically the act or condition and ground on which the grievance is based.
 - d. The action or solution desired.
 - e. The persons who have been contacted or involved.
 - f. The course of action that has been followed, including the decision rendered at the complaint level and why the decision is being appealed.
4. The administrator to whom the appeal is being made shall hold a conference concerning the grievance with the grievant and with his/her representative, if he/she has one. The conference shall be held within eight (8) working days after receiving the grievance.
5. Each person to whom an appeal is made shall receive the decisions rendered at a lower administrative level, and may request such additional information from any of the parties as will enable him/her to establish specifically the issues that remain in dispute.
6. The administrator to whom an appeal is being made shall communicate his/her decision in writing, together with supporting reasons to the parties in interest within eight (8) working days after the conference is held with the grievant.

F. CONCILIATION

If the grievant is not satisfied with the decision of the previous level or if there is no decision within the time limits, the parties may, by mutual agreement, request conciliation within ten (10) days from receipt of the previous level decision or from the expiration of the time limits for management's decision.

If the parties request conciliation, they will set a meeting with the Conciliator from the California State Conciliation Service as soon as reasonably possible.

G. BINDING ARBITRATION

If not satisfied with the decision at the previous level, the grievant as an alternate to appealing to the Board of Education may, within five (5) days, submit a request in writing to the Association for binding arbitration of the dispute. The Association, by written notice to the Certificated Human Resources Department Administrator, may submit the grievance to binding arbitration, within ten (10) working days of receipt from grievant. In addition to notifying the Certificated Human Resources Department Administrator of their intent to move the grievance to arbitration, the Association will within the same ten (10) day period request a list of names of potential arbitrators from the State Conciliation Services Office. Upon receipt of the list the parties will meet within five (5) working days to select the arbitrator. If the timelines are not complied with, the grievance shall be deemed dropped. Disputes as to whether a grievance is related to a violation of the contract shall be determined by an arbitrator. The Association and the District may mutually agree upon an arbitrator. If no agreement can be reached, the Association shall request the State Conciliation Services Office to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The grievant shall strike the first name.

The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

The arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues submitted to him/her.

If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.

The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the written policies, rules, regulations and procedures of the District.

After a hearing and after both parties have had an opportunity to make written arguments, the arbitrator shall submit in writing to all parties his/her finding and recommendations which shall be binding to the parties.

- c. Proof of college work is required by the Certificated Human Resources Department in the form of transcripts, grade cards, etc.

3. JUDGMENT OF EXPERIENCE AND UNITS

A certificated employee covered by this Agreement may appeal his or her initial placement on the salary scale. SITE-BASED DECISION-MAKING

Purpose:

Site-Based Decision-Making (SBDM) is a joint-planning and problem-solving process that seeks to improve the learning environment by allowing for organizational change and educational reform.

Decision-making at the site level should be shared by staff in a collegial manner, while recognizing that the decision must conform to VUEA/VUSD Contract, board policy, Education Code, State and Federal Law, Personnel Commission Rules and Regulations, and/or other laws and regulations unless waivers have been granted.

Structure: There will be two types of councils:

School Site Council: The existing school site council shall be utilized in this process. The School Site Council (SSC) shall be comprised of the following membership:

- 50% district personnel
 - principal,
 - one classified unit member
 - three certificated unit members;
- 50% parents and students in the middle and high schools and parents only in the elementary schools.

Each group will elect its representatives to the SSC. If a SSC is going to be larger than 10, parity must be maintained as described above.

School Site Council will receive initial SBDM proposal and accept or reject.

District Steering Council:

Annually the District shall set-up a District Steering Council comprised of four (4) management employees selected by the district, two non-management unit members selected by VCEA and two non-management unit members selected by VUEA. The District Steering Council shall elect one of its members as the chair. The chair will meet with a member of each of the other representative groups to mutually prepare the agenda. The duties and functions of this council are:

- Provide assistance and information to School Site Councils in regard to SBDM.
- Review School Site Council's proposed SBDM plans. Approve or reject SSC's proposed SBDM plan. (Schools will continue current practices related to categorically funded programs pending approval of their SBDM plan).
- Act as an appeals board in case of disagreement at the School Site Council level.
- In order for the District Steering Council to take action, it must consist of a quorum of equal numbers of management and labor and no less than 6 total Council Members.
- In the case that the District Steering Council does not reach resolution, the case will be taken to the Board of Education for approval or rejection.

Contract Waiver Requests:

Proposals must conform to the VUEA/VUSD Contract, unless a waiver is granted in accordance with the procedures outlined in this Article. Waivers of State and Federal laws, district policies, and/or Personnel Commission Rules and Regulations are not permitted.

Contract waivers(s) upon ratification by VUEA and VUSD, shall be written and fully incorporated into the VUEA/VUSD Contract by use of Memorandums of Understanding (MOU). The MOU(s) shall contain the specific site subject to the waiver(s), the nature/description/details of the waiver(s), the effective date, the duration of the waiver(s), and the process for renewal of the waiver(s).

The following Articles in the VUEA/VUSD contract shall not be eligible for a waiver: Recognition, Evaluation, Salary Schedule and Benefits, Assignment and Transfers, Association Rights, Professional Dues & Payroll Deduction, Grievance, Discipline and Non-Discrimination.

Renewal of waiver(s) must be done prior to the end of the school year in which the waiver(s) expires.

Scope of Decisions:

The following list includes only a few possible issues that could be resolved through site-based decision-making. Each site would need to examine its own unique issues and opportunities for involvement.

- allocation of resources (i.e., school budgets, personnel) within district policies and using good personnel and business practices.
- use of total facility, including staff workroom within the district policies and standards
- student discipline policies/attendance policies within frameworks of current and future board policies
- integration of curriculum within context of state frameworks and district accountability standards
- learning strategies for special needs students using the federal, state and district guidelines
- restructuring school day, number and time of classes, planning time within district standards, current and future board policies, and the collective bargaining agreements
- community outreach program
- relationships among various work groups
- goals and objectives for the school within the standards set by the district
- assignment of students, scheduling of classes within collective bargaining agreements and standards set by the district
- development of standing and/or ad hoc committees as needed.

Procedures for Site-Based Decision making:

A school site must follow steps #1-6 in order to implement school site change(s) that affect the VUEA/VUSD Contract:

1. Proposal Development at School Site
2. Initial Site Voting on Proposal (1/3 majority required)
3. School Site Council Approval
4. District Steering Council (DSC) Approval
5. Final School Site Approval Voting (2/3 majority required)
6. Contract Waiver Approval by VUEA and VUSD

Initial Site Voting on Proposal

The proposed plan shall be presented in writing and fully explained at a regularly scheduled staff meeting.

If one third or more of the school site's VCEA & VUEA bargaining units' members (full-time, part-time, or itinerant), voting by secret ballot, vote affirmatively on the proposal, the proposal goes to the School Site Council for consideration. VCEA/VUEA Site Representatives shall oversee the process. Absentee ballots may be allowed.

School Site Council Approval

If SSC meetings are held during the regular school day, release time shall be provided for bargaining unit members to serve on this council.

The School Site Council must act on the proposal prior to January 15.

District Steering Council Approval

No later than February 15, the council shall:

2. Approve or reject the proposed plan.
3. Act as an appeals board in cases of disagreement at the SSC level.
4. Set the deadline for the final school site vote.

If DSC meetings are held during the regular school day, release time shall be provided for bargaining unit members to serve on this council.

Final School Site Approval Voting (2/3 majority required)

If the DSC approves the proposal, a final site election shall be held by March 1.

To approve a proposal, two-thirds or more of the school site's VCEA & VUEA bargaining units members (full-time, part-time, or itinerant), voting by secret ballot must vote affirmatively.

- A 2/3 majority must be comprised of a 2/3 "positive" vote of the eligible staff members.
- The bargaining unit may, at their discretion, if the situation warrants, allow for abstentions not to be factored in the results. (i.e. bargaining unit member is out of country and cannot be reached).
- Absentee ballots may be allowed.
- All aspects of the elections shall be conducted and overseen by VCEA and VUEA.

Full inclusion is that special education option determined by an IEP team that places a severely handicapped student in an age appropriate regular education classroom on a full-time basis. The included student is handicapped to such a degree that significant curricular modifications are required which necessitate the collaboration of regular and special education teachers. Special Education services which these students require will still be provided, i.e. hearing aids, Braille machine, etc. There is no prerequisite for the student to be included in the regular classroom and the student is not expected to meet the same curricular and/or behavioral standards. Behavioral intervention documents may be utilized to assist the inclusion process.

The above does not include students who are deaf/hard of hearing, orthopedically impaired, visually impaired, or other health impaired as their sole handicapping condition.

D. NO REDUCTION IN STAFF

The implementation of a Full Inclusion Program shall not be utilized as a tool for a reduction in staff.

E. CLASS SIZE

The determination of the size of classes with fully included pupils shall take into consideration any extraordinary demands on physical space, unit member contact, and/or unit member supervision. The teacher has the right to appeal the decision of the Full Inclusion planning team. The teacher has a right to have an Association representative present. The class size for this program shall be negotiated annually.

 - 3. Except in the case of emergencies, only school nurses will administer insulin shots.
- C. A qualified school nurse shall provide training to bargaining unit members so they can provide and conduct necessary specialized health care procedures.

Bargaining unit members (excluding school nurses) shall not be required to administer Diastat. Bargaining unit members who are temporary or probationary employees will not be asked to administer Diastat unless he/she is a licensed nurse or a school nurse.
- D. When the school nurse must train staff members to administer specialized health care procedures, he/she will seek volunteers to be trained.

INSTRUCTIONAL PLANNING AND PREPARATION TIME (BANKING TIME)

Banking time is a modified school schedule that is created by lengthening the student day on four days per week, and thereby being able to shorten the student day on one day per week. This allows for the teacher preparation time that has been reduced on four days to be banked for use by teachers for instructional planning and preparation purposes on the fifth day.

School faculties in grade K through 8 may choose to bank time within the guidelines of this article.

- A. Under this article, instructional planning and preparation time is teacher determined and may consist of instructional planning, preparation of instructional materials, or other individual teacher determined professional activities.

The District is prohibited from conducting meetings involving teachers during banked time or in any other way using banked time. Banked time is for teachers individually and collectively to plan, develop, and prepare the instructional program, as specified above.

- B. Schools that want to restructure the school day by banking time must do the following:

1. The site teaching staff in conjunction with the principal shall develop a plan for banking time.
2. The plan can only be implemented if all three of the following conditions are met:
 - a. School Site Council approval
 - b. Bargaining unit members' approval (60% affirmative vote)
 - c. VUSD approval
3. A VUEA Representative will conduct the voting by the bargaining unit members. All aspects of these elections shall be conducted and overseen by VUEA
 - a. Voting must be done by secret (written) ballot.
 - b. If the bargaining unit member vote meets the 60% affirmative requirement, the VUEA Representative will forward the results to the Assistant Superintendent of Human Resources and VUEA.
 - c. The final draft of the approved plan will be sent to the Assistant Superintendent of Human Resources and VUEA by March 10th.

- C. Banking Time will continue in subsequent years. If a bargaining unit member wishes to discontinue banking time, an election must be held as provided in section (3) above. A majority vote of greater than 50% is required to cease banking time.

- D. The Banking Time schedule which is implemented by this process requires the annual approval of VUEA and VUSD.

New employees must complete and properly file a participation form within thirty (30) calendar days of achieving probationary or permanent status in order to be eligible for participation for the remainder of the eligibility year.
- 2. Participation is voluntary, but requires contribution to the Bank. Only contributors will be permitted to draw from the Bank.
- 3. Unit members may elect to join or cancel participation in the Bank once each year. They must sign up by September 30 of each year they are going to participate in the Bank. The eligibility year for purposes of this article begins on October 1 and ends on September 30. Once the unit member has completed the necessary enrollment form, he/she shall remain a member of the Catastrophic Sick Leave Bank until such time as he/she completes the necessary form to cancel participation in the Catastrophic Sick Leave Bank.
- 4. The annual rate of contribution by each participating unit member for each school year shall be one regular day of sick leave, which shall be deemed to equate to the legal minimum required by Education Code 44043.5 Section C.
 - a. Additional days of contribution will be required of participants if the number of days in the Bank falls below 50. Catastrophic Sick Leave Bank participants who are drawing from the Bank at the time of assessment will not be required to contribute to remain eligible to draw from the Bank. If a Catastrophic Sick Leave Bank participant has no remaining sick leave at the time of the assessment, they need not contribute the additional days to remain a participant in the Catastrophic Sick Leave Bank
 - b. If the number of days in the Bank at the beginning of a school year exceeds 1,000, no contribution shall be required of returning unit members. Those unit members joining the Catastrophic Sick Leave Bank for the first time and those returning from leave shall be required to contribute days to the bank.
 - c. If additional days above the first and second draw are required, both the Association and the District agree to come back and negotiate this item. At any time either the Association or the District can reopen this section of the contract. If this section of the contract is reopened during regular negotiations, it shall not be counted as a reopener if there are a limited number of articles that can be reopened.

C. Catastrophic Sick Leave Bank - Withdraw from the Bank:

- 1. Catastrophic Sick Leave Bank participants may draw from the Bank for any reason that qualifies them for the use of sick leave as per this article. If a participant is incapacitated, the application may be submitted to the committee by an agent or member of the participant's family. Participants initially applying to draw from the Catastrophic Sick Leave Bank will be required to submit a doctor's statement indicating the nature of the illness or injury and the probable length of absence from work. Members of the committee shall keep information regarding the nature of the illness confidential.
- 2. A participant's draw from the Bank may not exceed the statutory maximum period of twelve consecutive months.

3. Participants must use all sick leave time (but not differential leave) available to them before applying for leave from the Bank.
4. When the committee may reasonably presume that the applicant for a draw may be eligible for a Disability Award or a retirement under PERS or STRS or, if applicable, Social Security, the committee may request that the draw applicant apply for disability or retirement. Failure of the draw applicant to submit a complete application, including medical information provided by the applicant's physician, within twenty (20) calendar days will disqualify for further Catastrophic Sick Leave Bank payments. Any requests for additional medical information from PERS or STRS or Social Security shall be submitted within ten (10) working days or the participant's entitlement to Catastrophic Sick Leave Bank payments will cease. If denied benefits by PERS or STRS or Social Security, the applicant must appeal or entitlement to the Catastrophic Sick Leave Bank shall cease.
5. The administration of this article is the sole responsibility of the Association and the District shall not have any grievance filed against it with regards to this article.

Peer Review must be completed by April 13, if not, the process reverts back to site administrator who has until May 30 to complete Evaluation Process.

III. Responsibility for Evaluation

The Superintendent will designate each building principal as the individual responsible for notifying the bargaining unit member of unsatisfactory performance. At the District level, the Superintendent will designate the individuals who are responsible for evaluation.

A conference between the evaluator and the bargaining unit member shall be scheduled not more than five school days after any observation, if the observation is to be used as part of the evaluation.

V. Improvement Plan

An Improvement Plan is necessary when the evaluator marks Needs Improvement Plan or Unsatisfactory on the evaluation form. The Improvement Plan will describe how the bargaining unit member needs to improve.

CHECKLIST FOR THE PEER REVIEW PROCESS

Permanent Bargaining Unit Members may choose to do "Peer Review" as an alternative to Principal/Supervisor Employee performance evaluation. With the Principal/supervisor's endorsement, permanent Bargaining Unit Members in job-a-likes may work together to review each other's performance and support each other in pursuing professional growth activities. The purpose of Peer Review is to give experienced Bargaining Unit Members more responsibility for increasing their skills and an opportunity to design an individual process that will be most helpful to them.

CHECKLIST: Suggested Steps

- Permanent Bargaining Unit Member finds one or more job-a-like partners to join them in doing "Peer Review" instead of Principal evaluation.

Name(s) of Partner(s): _____

- Bargaining Unit Members read and discuss the adopted *Standards for their Profession*.

- **Bargaining Unit Members obtain approval from the principal.**

Principal's Approval _____ **Date:** _____

- Bargaining unit members plan a process for peer review which may include.

1. Observation
2. Consultation with other like professionals

5. Workshops, conferences, etc.
6. Other

(VUSD will contribute the cost of ½ day Substitute for classroom based assigned personnel per pair of Bargaining Unit Members participating in peer review.)

- Read suggested conversation topics and consider having a discussion regarding topics.

(Suggested Conversation Topics)

1. What are your hopes and intentions for Peer Review?
2. What are the most important knowledge and skill competencies for my job?
3. What standards are of the most interest or need to me at this time? Note: We advise that you focus on 1 or 2 standards. This will make it easier to make your observations and collect evidence related to meeting a standard. You may want to cover all five standards over 3-4 years.
4. What do I know about my current performance (i.e. strengths, needs, interests, etc.)?
5. How can I get better information about my performance?
6. What are the next steps I would like to take to improve and enhance my performance

TEACHER TRANSFER REQUEST

VUSD invites your participation in the Teacher Transfer Policy as agreed with the Ventura Unified Educators Association (see **Article 11 – Assignment and Transfer** in the Collective Bargaining Agreement).

Each year, bargaining unit members who desire a transfer to a different school site must file a request with Certificated Human Resources. Although it is not always possible to accommodate requests, careful consideration will be given. Not later than April 20 of each school year, the Certificated Human Resources office shall post a list of all vacancies and transfer opportunities reported by the principals on the district WEB site and at the Human Resources Office. Additional openings that occur after this date, including openings that occur during the summer, shall be posted in the same manner.

If a bargaining unit member does not receive a new assignment following the first posting, the request will also be considered during the supplemental posting period (s).

To maximize your transfer opportunities, indicate all grades/subject areas you would consider.

NOTE: If a bargaining unit member wishes to be considered for transfer during the summer months, make sure Certificated Human Resources has your summer address and telephone number. Transfer requests are destroyed after October 31st of each school year. Bargaining unit members must file a new request each year to continue being considered for a transfer.

The Governing Board is committed to equal opportunity for all individuals in education. District programs, activities and employment shall be free from discrimination based on actual or perceived sex, sexual orientation, gender, marital or parental status, ethnic group identification, race, ancestry, national origin, religion, color, or mental or physical disability, section 504 disability, age, or any other unlawful consideration, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program or activity.

VUEA Job Share: Memorandum of Understanding

A job share is two certificated bargaining unit members sharing one FTE at the same K-5 school and serving the same students. Job sharing partners are responsible to their students, the school, and each other to ensure the success of the partnership. Job sharing is a method to address individual personal circumstances on a short-term basis.

Request for Job Share: Bargaining unit members who are interested in creating a new job share-partnership must submit a request to the site principal by March 1st for the next school year. The principal makes the recommendation to the Superintendent's designee based on the school and its needs, the students it serves, and the interest of teachers. The Superintendent's designee shall approve or deny the request. A response to the request shall be communicated in writing to the bargaining unit member within 30 calendar days of the application. The decision of the Superintendent's designee shall be final. If the employee requests the reason for denial it will be put in writing and sent to employee.

Job Calendar: In order to insure program quality, continuity and fit at the school site, salary compensation, sick leave grant accounting, and substitute coverage, job share partners must complete a job share calendar and have it approved by the site principal. Job share teachers must agree to maintain schedule for the school year (or duration of the year). A written calendar must be turned in to the site principal 60 days prior to the beginning of each school year. If changes to the job share calendar are needed, the change must be requested in writing at least one week prior to the needed change, be signed by both job share partners, and approved by the site principal and the Certificated Human Resources office.

Job Share Extensions: Job shares shall be granted on a yearly basis. An extension may be granted if recommended by principal and approved by Superintendent's designee. Permanent reductions of an assignment will not be granted. Job share participants must notify the site principal in writing by March 1 of their desire to continue the job share arrangements. Requests for changes must be given to the principal by March 1. If bargaining unit members do not provide notification or if continuation of the job share assignment is not approved, the bargaining unit members shall be returned to the prior time base the bargaining unit members held immediately prior to their job share assignment.

Responsibilities: Both bargaining unit members will:

1. Provide instruction for their portions of the instructional program, plus preparation time.
2. Work together to be responsible for the formal and informal assessment of the student needs, instruction and intervention.
3. Share adjunct duties proportionately.
4. Attend all back-to-school and open house events, as well as all staff development days on the same basis as full-time employees.
5. Attend pre-service days, monthly staff meetings, district wide grade level meetings as required by the principal.
6. Be responsible for IEP and related reports, testing, evaluation and all required routine and special reports.

Fringe Benefits: Fringe Benefits for job share participant shall be in accordance with Article 18.

MOU - Sunset School

This memorandum of understanding is needed of as a result of VUSD's creation of a TK-8 program at the Sunset Elementary School site.

As stated in Article 11, school site assignments is defined as the movement of a teacher from one grade to another at the same school site or from one subject area to another. The site principal may change a unit member's assignment(s) at a school site for credentialing, class size balancing and other educational reasons.

VUSD agrees not to assign a Sunset bargaining unit member employed at the site as of 8/25/09 from a K-5 assignment to a 6-8th grade assignment, or vice versa, without the bargaining unit members consent.

VUSD may move a Sunset school bargaining unit member by following the procedures detailed in section D of Article 11.

Any bargaining unit member hired or who voluntarily transfers into Sunset School after 8/25/09 may be assigned by the site principal to any class TK-8 for which they are appropriately credentialed.
