

**Side Agreement between VUSD and VUEA**  
**Contract of Agreement between**  
**The Ventura Unified School District and the Ventura Unified Education Association**  
**Distance Learning and Hybrid Learning Schedules**

**Distance** - Per the recommendation of the VUSD Distance Learning Committee, VUSD and VUEA agree to the following Distance Learning schedules for when distance is needed or required due to the COVID-19 pandemic and the current state and county public health orders and guidelines. We will review the agreed upon distance learning schedule during labor management consultation during the week of September 14, 2020.

Given the learning time needed for educators to adjust to distance learning management, significant time during the nine (9) day Orientation at the beginning of the school year will be devoted to planning time and access to professional development.

**Hybrid** - It is the intention of both parties to come to agreement on the phased-in A/B model (when hybrid is safe and appropriate) in alignment with the recommendation of the VUSD Distance Learning Committee. Due to the potential need to stagger workday start and end times for the A/B Hybrid model and other effects, more discussion is needed and is scheduled for labor management consultation the week of September 14, 2020. It is the interest of both parties to keep the styles of the models recommended by the Distance Learning Committee.
